

# 2024 LSPA YEARBOOK CONTEST CATEGORIES

All yearbook submissions are automatically considered for “Best Overall” and “Design” categories.

- Best Overall Yearbook:  
This category is an aggregate sum of all the elements below. Without considering the yearbooks for all the categories together, it would be difficult to judge which entries qualify to be called the “Best Overall Yearbook.”
- Design:
  - a) Cover design includes hand or computer-generated artwork or photography used on the cover.
  - b) Overall design includes cover design as well as design of inside pages, which assesses use of best practices in the use of fonts, photographs and text to convey a story in print form so that it is visually appealing; appropriate use of white space, captions, photo bleeds, margins and consistent spacing.

**Be sure to let us know which pages/sections you wish to be considered for all categories below (TWO entries per category):**
